**LANDIS IS OPEN** from dawn to dusk, 365 days a year.

Established by Fred Lape in 1951, the Landis Arboretum is a private, nonprofit organization in the scenic and historic Schoharie Valley. Our nearly 300 acres are dedicated to preserving and protecting our heritage of natural and cultivated plantings. Visitors can explore 8 miles of trails, our historic collections of specimen plantings, old growth forests, managed woodlots, and our Native Plant Trail and Fern Glen. The Shanti Yun Meditation Garden, anchored by a welcoming pavilion, a lovely pond with the soothing sounds of its waterfall, and a labyrinth, is the perfect place to begin or end your visit to Landis. The Nicholas J. Juried Meeting House and Pavilion are ideal rental venues for weddings and events. Our educational programs foster an appreciation of the environment and appeal to all ages. Landis has also had a long tradition as a center for the arts.

Registration: Advance registration is always appreciated, and required for some programs. Early registration helps avoid disappointment: some classes fill quickly! Others may be cancelled if minimum enrollment is not met. Please check our website and Facebook pages for updates.

Three Ways to Register!

1. Register online at [landisarboretum.org](http://landisarboretum.org) using PayPal (small administrative fee).
2. Call the Arboretum at (518) 875-6935. Have the class name and date ready to register using a credit card.
3. Email [info@landisarboretum.org](mailto:info@landisarboretum.org) to reserve a spot and pay at the door. Note that some classes require advance registration with payment.

**Inclement Weather:** Most programs are held rain or shine. Trails and fields can be quite wet at Landis, so dress appropriately. If a program is cancelled as a result of extreme weather conditions, an attempt will be made to notify all who are registered and the cancellation will be posted on our website and Facebook page. Weather-related cancellations will be refunded within three weeks of the cancellation by the Arboretum.

The Landis Arboretum depends heavily on grants, fundraising events, and donations. No one, however, is excluded from participating in our events for lack of funds. Families and individuals who are unable to afford the class registration fee are encouraged to contact the office for information on fee waivers.
